Description

Johann Conrad Rudolph Wohlien (* 1808 in Altona; † 29. November 1866 ebenda) was an organ builder in Altona.

He belonged to the well-known organ builder family Wohlien of Altona and was "the third organ builder of his lineage." Wohlien died during the renovation of the organ at St. Trinitatis in Hamburg-Altona. With his son Johann Friedrich Eduard Wohlien (1843–1871), the company founded by his grandfather Balthasar Wohlien came to an end.
