## Description

The organ was constructed by Neuthor Orgelbau in 1976. This build incorporated some register and the old casing from the 1858 Marcussen organ. In the same year, an addition was made to the Brüstungspositiv. At a later point, the Horn 8' was removed from the Oberwerk.

## Stoplist/Disposition

| <b>I Brüstungspositiv</b> | <b>II Hauptwerk</b>        | <b>III Oberwerk</b> | <b>Pedal</b>   |
|---------------------------|----------------------------|---------------------|----------------|
