Builder	Marcussen & Søn
Year	ca. 1965
Period/Style	Neo-Baroque
Stops	21
Keyboards	2+P
Keyaction	tracker/mechanical
Tuning	lightly unequal (Metzler) at 434.0 Hz

Description

The Organ was constructed by Marcussen & Son in 1965. Its dimensions are roughly equivalent to the first Swallow's Nest Organ built by Jörg Ebert of Ravensburg in 1545. Two sculptures have been preserved over the centuries, created by the sculptor Sixt von Staufen in 1530: the crowning figure of Mary and the trumpeter (pipe monkey) at the base of the organ.

Stoplist/Disposition

I Rückpositiv	II Hauptwerk	Pedal
