

# Cervera, Convent de Sant Agustí

Sant Agustí, 25200 Cervera, Spain

<b>Builder</b>	Francesco Teppati
<b>Year</b>	1895
<b>Period/Style</b>	Classical
<b>Keyaction</b>	tracker/mechanical
<b>Tuning</b>	Equal at 441 Hz Hz

## Description

It was built in 1895 by the Italian organist Francesco Teppati. During the civil war, the archive of the community was destroyed so that no document regarding the procedures for aquisition of the organ remains. According to explanations by mother Dolors Ribera (2003), the organ was operating in 1941, since during the 1936 riots images and altarpieces were burned, but they respected the instrument.
