

Kiel, Ansgarkirche

Holtenuer Straße 89, 24105 Kiel, Germany

Builder

E. Tolle

Year

ca. 1965

Period/Style

Modern

Keyaction

Description

The organ was assembled in 1964/65 by organ builder Eberhard Tolle from the remains of old organs from Kiel, e.g. B. Marcussen pipes from the old organ of the Pauluskirche in Kiel. In 1979 it was technically revised and revoiced according to the historical sound by Rudolf Neuthor from Kiel. In 2023 it was technically revised and revoiced by the Paschen company.
